

Fairlawn Primary School - PE and Sports Grant 2016/2017

The purpose of this grant is to improve the provision of PE and sport so that all pupils develop healthy lifestyles.

Fairlawn funding: £9596

PE Provision at Fairlawn Primary School

Fairlawn has used this grant to help fund the employment of a specialist trained sports coach to deliver 1 hour P.E lessons to every class once a week, in addition to the hour provided by the class teacher.

The PE lead teaches outdoor PE to all classes, and provides coaching to teaching staff to develop their indoor and outdoor PE teaching. By providing continual professional development for teachers we are sustaining the improvement of our PE provision.

The Curriculum

The PE lead has also bought in Glen Burt, a Lewisham Sports Co-ordinator, to team-teach and to lead intra and inter school competitions.

Emphasis on Intra and inter-school competitions

Throughout the year, children compete against other schools in a variety of events. Match reports and photos are published on our website and in weekly newsletter. So far, the children have been involved in athletics, netball, basketball, cricket, tennis, all inclusive multi-sports and football competitions.

Sports Leaders

10 girls and boys will be selected from Years 5 & 6 to be Sports Leaders. A number of these children are in receipt of Pupil Premium funding. Their duties include:

- ✓✓ Helping with sport clubs
- ✓✓ Supporting younger children

- ✓✓ Writing match reports
- ✓✓ Keeping the equipment cupboard in order

- ✓✓ Leading/setting up activities at lunchtimes

Extra Curricular Activities:

Since September 2013, there has been a vast improvement in the quantity and quality of extra curricular provision. The PE lead also leads the organisation of all extra-curricular activities to ensure that over the academic year, each child has the opportunity (where possible) to attend at least one extra curricular activity.

Some of the sporting provision includes: football, basketball, karate, netball, multi-sports, street dance, hockey, and skateboarding. The PE lead has also promoted external clubs and has encouraged children to join. He has also organised trials at district level. We also run an adult fitness class weekly for parents, teachers and adults in the local community.
