

# MULTI-SKILLS

February 2020

On Wednesday February 12th the school sports partnership came together to participate in a multi skills event at Sydenham school, aimed at giving children the opportunity to try out a variety of different activities. There were 10 stations in total and included the development of skills on balance, speed, ball to eye co-ordination, agility and most of all fun! We played wheelchair basketball, curling and boccia too. Well done to all the children who took part, they all represented their schools extremely well with each receiving a very well deserved certificate.
