- Following the redesignation of the former Heads of School as Headteachers, it was necessary for the Instrument of Government to be amended to reflect this change, and the two Headteachers have now filled the Headteacher places on the Governing Body, replacing the Executive Headteacher. Although the Executive Headteacher is eligible for appointment as a co-opted governor, because the total number of members of staff appointed to the Governing Body cannot exceed one third of the total membership, this maximum proportion has been reached with the necessary increase in size to 18 members to accommodate the additional Headteacher place. The Executive Headteacher was appointed as an Associate Member of the Resources and Teaching for Learning Committees with effect from 1 September 2016.
