Fairlawn

Primary School

Dear Families,

We hope you enjoyed watching our Jerusalema dance challenge video and the individual song performances performed in British Sign Language emailed to you last week. Thank you to our talented Ms Milner for all her hard work in organising these. Please remember these cannot be shared on social media. If you would like your KS2 child to join virtual choir then please contact Ms Milner nmilner@fairlawnschool.net

We are looking forward to sending you a special video this Friday, 13th November to showcase our blue plaque project where we have been recognising and celebrating the achievements of pioneering black figures in London.

Armistice Day 11th November

We will be marking Remembrance Day on Wednesday with an assembly from Ms Etherington alongside observing a two minutes silence at 11am. We are not selling poppies this year but here is a link to the British Legion shop: <https://www.britishlegion.org.uk/get-involved/ways-to-give/shop/poppy-shop>

Becoming a Unicef UK Rights Respecting School!

Today, Mr Evans introduced the 'Rights Respecting School' award to our children in his virtual assembly. Fairlawn Primary aims to be a school where children's rights are at the heart of our ethos and culture, to improve well-being and to develop every child's talents and abilities to their full potential. As part of this plan, we are working towards recognition as a 'Rights Respecting School', an award given to schools on behalf of Unicef UK. In 1989, governments across the world agreed that all children have the same rights by adopting the UN Convention on the Rights of the Child (UNCRC). These rights are based on what a child needs to survive, grow, participate and fulfil their potential. Fairlawn pupils will learn about their rights by putting them into practice every day. A Rights Respecting School models rights and respect in all its relationships. For further information about Rights Respecting Schools, please visit: <https://www.unicef.org.uk/rights-respecting-schools/>

Diversity and Anti-Racism Forum

We will be holding our next meeting via zoom on Monday 23rd November at 6pm. We will share our procedures on managing racist incidents in school and give you an update on our curriculum development. Please contact either hryans@fairlawnschool.net or ebruggy@fairlawnschool.net if there is anything you would like us to add to the agenda. We will send out the meeting details in a separate email.

Ventilation in school

Our Covid-19 risk assessment follows government documentation, which sets out the protective measures we must follow to keep everyone as safe as possible. It says that 'windows should be open just enough to provide constant background ventilation, and opened more fully during breaks to purge the air in the space'. The heating will still be on throughout the school, but will not be as effective as usual due to the windows being open. Please ensure your child wears layers.
