Outdoor Learning

Please ensure your child comes to school wearing their forest school clothes on **Tuesday 17th January** (with a labelled plastic bag with spare shoes and socks to change into). Our afternoon sessions are on a Friday afternoon. Can all children come with their kit on this day and we will help them to get changed? Any questions, please ask a member of the Nursery Team.

Dear Families,

We hope you had a lovely Christmas break. Thank you so much for our gifts and cards. It was very kind of you all. It is wonderful to have the children back. They all seem to have grown so much in stature and maturity!

Trainee Teacher

We welcome Miss Posy Wood back to continue her trainee placement for this half term.

1000 Things That Go!

We are very excited to be focusing on transport this half term and are looking forward to finding out about different vehicles. If your child has any books around this subject that they would like to share, please pop them into their book bag and let us know so we can share them during carpet time. Please also continue asking them about the new words that they learn.

Book bags

Just a reminder that we will change your child's reading books on a Wednesday, so please make sure they have these and their reading record in their book bags on this day.

GENERAL REMINDERS

As it continues to be cold, please ensure your child is dressed appropriately for the winter weather (eg: warm waterproof coats and shoes) and remember to label your child's clothing, including hats, scarfs and gloves.

Thank you all for your support.

Best wishes,

The Nursery Team
