Outdoor PE - Wednesday (2K) Thursday (2F)
Indoor PE - Thursday (2K) Monday (2F)

Home Learning

Maths: Set Friday - due Wednesday
Spelling: Set Friday - due Friday

Our Learning Journey

Tomorrow's World: Sustainable Solutions

This term's topic is entitled Tomorrow's World: recycle today for a better tomorrow. Throughout we will be exploring how to live sustainably, and our impact upon planet Earth and its surroundings.

Outdoor Learning

Our outdoor learning sessions will continue to take place on Thursday (2K) and Friday (2F). Please ensure that your child brings suitable clothing on these days, including wellies and waterproof clothing.

PE Day

Please ensure that your child has the correct PE kit: white polo shirt; black/navy jogging bottoms, and trainers. Please send children to school in their PE kit on these days.

English

Reading and Phonics

Our English learning this term will be focused on information texts, we teach phonics daily. A secure knowledge of phonics provides children with the foundation they need to become fluent readers and writers.

Writing

Our English learning this term will be focused on information texts in conjunction with our new topic. We will be looking at the layout and language features of this non-fiction text type moving to writing facts and grouping them to create paragraphs around a topic. We will ask questions about sustainability and use different methods to research these how to look after our planet. By the end of the topic, we will have the skills to write our own information text.

Maths

Our maths learning will continue with the addition and subtraction of two-digit numbers. We will then introduce our mathematicians to multiplication and division.

Science

Living Things: We will start the unit by looking at what makes something living, not living or once living. We will then look at what makes something living, how living things have offspring and the growth of these offspring including some life cycles.

Other Curriculum Areas

For more information, head to the 'teaching and learning' part of our school's website:

<https://www.fairlawn.lewisham.sch.uk/>

If you need to get in touch with us, please do so during school hours only: 8.00am - 6pm (Mon - Fri) and we will respond as soon as we can:

Mr Fielding - rfielding@fairlawnschool.net

Mr Kirner - wkirner@fairlawnschool.net
