- **Fri 23<sup>rd</sup> March - Maths Day**
- **Fri 31<sup>st</sup> March - Last day of term**

### Routines

**Forest School Tuesday am & Friday pm**  
**Indoor PE - Monday and Thursday**

### Our Learning Journey

#### Tomorrow's World: Looking After Our Planet

This half-term we will think about ways we can help our world. If your child has any books they would like to share during reading time, please place them in their book bag and let us know.

### Forest School

We are hoping that our outdoor sessions will start again after half and will let you know when this is the case. Please ensure that your child comes to school wearing their Forest School kit on Tuesday mornings and has it in school on a Friday to change into in class. Please ensure they have wellies and waterproof clothing.

### PE Day

Please ensure that your child has the correct PE kit: white polo shirt; black/navy jogging bottoms, and trainers. Please send children to school in their PE kit on these days.

### English

#### Reading and Phonics

We will continue sharing books, learning new words and, in our Little Wandle Phonics sessions, developing our sound recognition and oral blending skills through games and activities.

#### Maths

We will continue learning number songs, about numbers up to 10 and develop our 1:1 number recognition and counting skills. We will also have a fun focus on measurement that will include us exploring length, mass and capacity.

### Other Curriculum Areas

We are very much looking forward to Science week and carrying out experiments where we will be extending our scientific vocabulary, making predictions and thinking about why things happen.

We will be experimenting with different mediums through art activities that may be inspired by a special Sunday we have coming up in March. Watch this space!

Thank you all for your support.

Best wishes,  
The Nursery Team
