

Fairlawn Statutory Data 2023

EYFS Good Level of Development

The figures below are 'worst case scenario'. It is hoped that the impact of Little Wandle & the interventions to support phonics, fine motor skills & speech & language will improve on this over time.

GLD	74	0	60

Year 1 and 2 Phonics

The figures below are 'worst case scenario'. We do not yet know the conversion rate of children 'on-track' for LWLS and a phonics screening pass; therefore, the predictions will appear very low at this point until we carry out a mock phonics-screening test.

	Whole Cohort % (43)	Black Caribbean % (0*)	Pupil Premium % (9)
